

UCT Mathematics Society

WhatsApp Guidelines

This is issued by the UCT Mathematics Society, herewith referred to as the “Society”, to all of its official members. Joining the Society’s WhatsApp group, titled “Maths Society”, herewith referred to as “Group”, means abiding to the following rules:

- The Group is intended for discussion of Society related matters. Off topic posts are strictly not allowed.
- UCT’s Statement of Values commits all students and staff to inclusiveness, embodying respect for cultural, religious, linguistic, political, and other differences and acknowledgment of the value of diversity in society, and to refrain from speech or conduct that demeans or humiliates people. All conversations in the Group must be guided by these principles and show respect for others.
- Conversations that condones or encourages academic dishonesty is strictly prohibited.
- The Group admins reserves the rights to remove students who violate any of these rules from the Group.
